## OUR STORY

Amanda & John Scott + The Farmhouse Team  
 In 2009, local spot Farmer Joe's was sadly forced to close to make way for a new road. It was a much loved, family owned produce store and for many, a community hub. Farmhouse Kedron is a tribute to family farms and fresh food producers; now more than ever we need to support our dairy farmers, our local farms and our fresh food producers. At Farmhouse, we buy from many local & regional producers & every season,

add a few more local suppliers to our list. Our aim is to take food from the farm to your plate, with the least amount of fuss in between... This is your Farmhouse in Kedron. Please tell us what you would like, what pleases and what you are hoping for next...

## THANK YOU FELIPE

JAN 2024

In the dynamic world of food and beverage, Felipe Rizzi stands out as more than just an Operations Manager of our small family owned hospitality group- the engine room behind the operation of both Farmhouse and Oh Boy, Bok Choy! Originally hailing from Sao Jose dos Campos, a town just an hour's drive from bustling Sao Paulo, Felipe's journey into the world of hospitality is more than a career; it's a familial legacy embedded in his DNA. The Rizzi family's connection with hospitality runs deep. Felipe's roots trace back to Nono Rizzi, whose bar was a pivotal part of Felipe's mother's late teens. Although the bar has transformed into a General Store now run by one of Felipe's uncles, the essence of customer-facing service remains an integral part of Felipe's identity. Felipe's journey to Australia began as a gap year after completing high school—a departure from the common Brazilian practice of taking a gap year post-University. This leap of faith turned into a permanent residence, driven by his passion for food and beverage and a commitment to making a difference to every guest he encounters, on a day to day basis. His initiation into hospitality took shape at renowned establishments such as The QAGOMA, Brisbane Powerhouse, and Mecca Bah before finding his home at The Farmhouse, almost seven years ago. Rather than flitting between various roles, Felipe chose a path of dedication, contributing wholeheartedly to the growth and success of Farmhouse and later Miss Sophia's Gelateria and most recently, Oh Boy, Bok Choy! Felipe proudly holds the title of the only Farmhouse OG left, signifying his pivotal role in shaping the Farmhouse experience. Outside the bustling kitchen and vibrant dining spaces, Felipe finds solace by the beach, pool, or in the gym—places that rejuvenate him for the next wave of hospitality excellence. Beyond his commitment to the dining experience, Felipe extends his passion for service into the community. He volunteered for QLD Health, actively contributing to the launch of a campaign on social media for PrEP—a drug that prevents HIV. This endeavor reflects Felipe's commitment not only to his craft but also to making a positive impact beyond the walls of The Farmhouse. Looking ahead, Felipe has an exciting journey planned—an around-the-world trip spanning South America to Europe for eight weeks in June. Ever the community enthusiast, Felipe welcomes tips and suggestions from customers, creating a bridge between his professional and personal worlds. In the heart of The Farmhouse Group, Felipe stands as a testament to the fusion of heritage, passion, and commitment. As the Operations Manager, he not only ensures the smooth functioning of the establishment but also brings a touch of warmth and authenticity that defines The Farmhouse experience.
