AUTUMN ‘25

Farmhouse, Kedron

7 DAYS

6:30AM - 2:30PM

public holiday hours vary

OUR STORY

Amanda & John Scott + The Farmhouse Team

In 2009, Kedron's famed and much-loved produce store (and community hub), Farmer Joe’s, was forced to close to make way for a new road.

In 2017, Farmhouse Kedron rose from the ashes of *Farmer Joe's* storage shed, paying tribute to local family businesses, family farms, and fresh local food producers.

Our own fathers were raised on farms - John's west of Taroom, Queensland, and Amanda's on the wheat plains of Missouri. As a tribute to our heritage, we aim to bring your food from the farm to your plate with the least amount of fuss in between.

This is your Farmhouse. Please tell us what pleases you, anything that doesn't, and what you’d like to see next.

HOLA , JOSE!

APRIL 2025

Thank you for all the love and care you give to Farmhouse (and its little brother, Oh Boy, Bok Choy! - as well as the adventure projects along the way, such as Miss Sophia's, Phat Greens, Milk in the good ol' days, and whatever harebrained scheme we’re pondering this season).

Our inimitable Financial Controller/Accountant (who moonlights as the Farmhouse Sunday breakfast host), **Jose Gomez**, came to us by a miraculous turn of events seven years ago - and we have been grateful for his presence each and every day since.

Jose worked as an accountant in Venezuela for a large multinational corporation. Ten years ago, he and his partner, Gabriela, took a chance on Australia. Since then, they have helped make Brisbane a more diverse, interesting, productive, joyful, and ROWDIER place. Jose is but one of the remarkable overseas adventurers who have helped shape Farmhouse. Without his spirit of adventure, humour, care, work ethic, resilience, and commitment to excellence, Farmhouse would not be what it is today.

Working with a family business after years in corporate life is a challenge that few accountants would consider. Yet somehow, Jose has brought his vast financial expertise, combined it with his irrepressible energy for life, and made this company, and this city, his home.

To Jose, and to all the adventurers who take a gamble on Australia, we thank you.

Pronto Packaging: A Family Business Built on Grit, Growth & Green Thinking

SUPPLIER PROFILE

At Farmhouse, we're proud to support family businesses like **Pronto Packaging**, the brainchild of **Domenic & Rina Donato**. Their journey began in 1999, fueled by little more than determination, intuition, and a dream - not to mention an eleven-month-old at home and zero prior business experience. Some might call it risky; they called it an opportunity.

With just 30 clients and a whole lot of hustle, Pronto Packaging started small in Kedron. Fast forward to today, and they're running a sleek, multi-level warehouse in Eagle Farm, serving over a thousand clients - a testament to the power of persistence and smart business instincts.

But Pronto isn't just about packaging, it's about sustainable packaging. In an industry often criticised for waste, Pronto prioritises eco-friendly solutions, ensuring businesses can package their products responsibly.

At its core, Pronto is a family in every sense of the word. What began with Dom and Rina has since welcomed brothers, children, and a team that feels more like kin. "We're only as good as our team," Dom insists, and at Pronto, the team is everything. That family-first mindset even extends to Farmhouse itself - where the Donatos' son, Christian, has been a weekend team member since October 2023. From a leap of faith to a thriving business, Pronto Packaging is proof that with grit, growth, and the right people by your side, anything is possible.
