WINTER ‘26

Farmhouse, Kedron

7 DAYS
6:30AM - 2:30PM
public holiday hours vary

OUR ‘FAMILY’

Farmhouse Kedron is more than a café; it’s a community hub where we
aim to bring your food from regional farms to your plate, wholesomely,
deliciously and simply.

We opened Farmhouse in March 2017, on the site formerly known as
Farmer Joe’s. We aimed to maintain the soul of that family business and
transform the remnants of the site into a home and a ‘Family’ for all.

As each of our own fathers were raised on farms—we also wanted to pay
homage to our own farming families. John’s father, was from a farm west
of Taroom in Queensland and Amanda’s father from a farm
on the wheat belt of Missouri.

Welcome to our Family. Welcome to Farmhouse.
AMANDA & JOHN SCOTT

BEHIND THE MAGIC

This is just a sprinkling of our family...

At Farmhouse, we’ve learned that the real magic isn’t just in the food or
the space. It’s in the people who bring it all to life. Our team is the
heartbeat of Farmhouse. They’re the ones who greet you with a smile,
remember your order, bring energy to the floor, and keep the spirit of our
little corner of Kedron alive.

We are incredibly lucky to have the team we do. Hospitality asks a lot —
early mornings, busy weekends, and the constant goal of making
someone’s day just a little brighter. And every single person on our team
shows up with generosity, resilience, and genuine care. It’s something we
never take for granted.

Farmhouse is proudly a blend of both local talent and incredible
international team members, who have chosen to make Australia — and
us — part of their journey. Our family stretches across Australia, Italy,
France, Brasil, Korea, Japan, Nepal, Venezuela, Colombia, Indonesia, and
England.

To our team, THANK YOU. For your work, your warmth, and your
passion. And to our community, THANK YOU. Every time you support
us, you support them too. Farmhouse wouldn’t be what it is without you.

A TALE OF TWO HONEYS

DECEMBER 2025

At Farmhouse, we're proud to work with two incredible local beekeepers whose craft, care, and respect for nature shine through.

Teralba Park Honey – Everton Hills

Just around the corner in Everton Hills, Teralba Park Honey produces beautiful raw, cold-extracted honey known for its rich, natural flavour. Their bees are sustainably cared for, with a focus on ensuring each hive always has what it needs to thrive. It's small-scale beekeeping done with heart.

Bardon Bees – Foothills of Mount Coot-tha

Nestled near the base of Mount Coot-tha, Bardon Bees follows a 100% natural, organic beekeeping philosophy. Their raw honey comes straight from their own hives, harvested with deep respect for the bees and the environment.

Together, these producers bring us the kind of quality and integrity we're proud to share with our community. It's real, local, and made with care.

Both honeys are used in our kitchen, loved by our guests, and available for purchase on our retail shelf!
